BYLAW 3

**Effective January 2003
Amended 2005, 2006, 2007, 2009, 2012**

Most Recent Revision- February 2015

PREFACE

The purpose of this By Law is to provide guidelines to the relationship between membership levels offered by an 'appointing agency' and participation in Skate Australia (SA) competitions and programs.

This By-Law confirms that all members of Appointing Agencies must be registered members of SA.

"Appointing Agency" means a State Association affiliated to Skate Australia or a State Office of Skate Australia in those States where an affiliated State Association does not exist.

States administered by Skate Australia under a unitary model:

Skate Australia Victoria (SAV)
Skate Australia Tasmania (SAT)
Skate Australia ACT (SAACT)
Skate Australia Northern Territory (SANT)

Affiliated State Associations;

Skate Queensland (SQ)
Skate Western Australia (SWA)
Skate South Australia (SSA)
Skate New South Wales (SNSW)

The SA Board believes that providing a mechanism for the States to provide different levels of membership to suit local conditions, in relation to cost and level of participation, increases the opportunity for the States to attract more members and for all participants to access the benefits of membership as well as allowing them to participate at differing levels to suit their skills.

	<i>Active in Competition</i> (COMPETITIVE)	<i>Members who have access to the full range of programs and services offered by the organisation, affiliated club or association, as a participant, coach or official. Appointing agencies may create sub categories at their discretion commensurate with the level of competition and athlete ability</i>
2	Program Participants (DEVELOPMENT)	<i>Members have access to learn to skate and development programmes, bronze bar artistic proficiency tests, and competition within their own club. This is the minimum level of membership for coaching activities.</i>
3	Event Participants (RECREATIONAL)	<i>Participants who pay a fee per event to participate in the activity. Participants who participate in any recreational skating activity.</i>
4	Associate	<i>A category of membership for non skating participants. Associate members may be administrators, committee members, and / or officials. . Associate members have no access to proficiency test or competitive programmes. This level of insurance does not provide cover for any on skates or coaching activities.</i>
