

## **ANTI-DOPING EDUCATION RESOURCES**

FIRS want to assist in protecting the spirit of true sport being undermined by doping. We, along with the anti-doping community, believe that education is the best way to achieve this. The primary goal of anti-doping education and information is to prevent the intentional and / or unintentional use of prohibited substances and methods by athletes.

### **ANTI-DOPING INFORMATION & EDUCATIONAL MATERIALS.**

**NATIONAL ANTIDOPING ORGANISATIONS (NADO's)** have education programs on their webpage. These are in the language of the country. NADO contact details are available from National Federations and WADA webpage.

**Most of the WADA programs are available in a variety of languages**

### **WORLD ANTIDOPING AGENCY (WADA) PROGRAMS – How to find**

- 1** Go to WADA web page [www.wada-ama.org](http://www.wada-ama.org)
- 2** Click on “What We Do” tab
- 3** Click on Education and Prevention on the table on the left

There are a range of online education programs for athletes of all ages and toolkits for antidoping program managers, team doctors, coaches, doping control officers as well as information on the process of collecting a sample and the use of ADAMS.

Athletes, National Federations, Confederations, FIRS technical committees and athlete support personnel are responsible for developing their knowledge of antidoping rules. Athletes who knowingly dope and are caught get their just deserts however it is devastating when an athlete is sanctioned for an antidoping rule violation that occurs through lack of knowledge.

***Athletes are responsible for anything found in their system and supplements are never 100% safe.***
